Foreign person. If you are a foreign person, do not use Form W-9. use the appropriate form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income, However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident aften for tax purposes.

you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tex treaty to claim an exemption from U.S. tax on cortain types of income, you must attach a statement to Form W-9 that specifies the following five items:

- i. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

  2. The treaty article addressing the income.
- The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
- 4. The type and amount of income that qualifies for the exemption
- 5. Sufficient facts to justify the exemption from tax under the terms of the treaty artic

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay e United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her acholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W.A

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). Real estate transactions are not subject to backup withhalding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

- 1. You do not furnish your TIN to the requester,
- You do not certify your TiN when required (see the Part if instructions on page 4 for details),
  - 3. The IRS tells the requester that you furnished an incorrect TIN,

- 4. The iRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
- 5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened efter 1983 only).

#### Dear LAURA RICHARDSON

Thank you for your continued interest in our Homeownership Preservation Program. Eaclosed is your proposed Loan Modification Agreement ("Agreement") (three identical sets of documents). The Agreement was prepared consistent with the terms you discussed with a loan workout specialist. The Agreement will not be binding or effective until is has been signed by both you and the lender in compliance with the instructions and conditions in this letter,

Please review the Agreement carefully and if you so desire, consult your own attorney. When you are satisfied with the Agreement and if you wish to proceed with the loan modification, sign all the documents in black ink, in the presence of a notary and keep one for your records and return two signed originals to Washington Mutual Bank in the envelope provided. <u>Please sign your name exactly as it is printed under the signature line.</u> Where appropriate, witness signatures must be from two <u>different</u> individuals and require their printed name under their stonature.

Along with the signed Agreement, you must also send a certified check or cashler's check in the amount of \$ 0.00 . This release extends to any claims arising from any judicial foreclosure proceedings or power of sale proceedings if any, conducted prior to the date of this Agreement. Borrowers have and claim no defenses, counterclaims or rights of offset of any kind against Lender or against collection of the Loan.
- 16. Bankruptey Considerations. Notwithstanding anything to the contrary contained in this Agreement, the Parties hereto acknowledge the effect of a discharge in bankruptcy that may have been granted to the Borrower prior to the execution hereof and that the Note holder may not pursue the Borrower for personal liability. However, the Parties acknowledge that the mortgagee/beneficiary retains certain rights, including but not limited to the right to foreclose its lien against the Subject Property under appropriate circumstances. Nothing herein shall be construed to be an attempt to collect against the Borrower personally or an attempt to revive personal liability, if the Borrower has obtained a discharge of that liability from a United States Bankruptcy Court.

Okay good. I looked at Savannah's numbers and the math adds up, so you're good to go forward and prepare the mod documents based on these numbers. If not already done, I recommend someone make a call to Richardson to inform her that the taxes are included (capitalized) in the MOD and documents are on the way. From her e-mail to Julie and Ann yesterday she is inquiring about the taxes.

# -Daryl

Taxes are included and new mod figs need to be communicated to richardson to let her know that taxes are now included, but we amended the Interest and maturity to keep payments the same as originally communicated. I talked with Paul about this and he was fine

Ann. Yes. Per my voice mail message, i'm trying to understand the MOD terms as they were communicated to Richardson. Are the terms the same as listed below by Savannah? Or does the recently discovered tax advance crate an issue?

## Savannah

There is now a disbursement stop 1 preventing me from disbursing these taxes. I am attempting to contact the appropriate person to have that stop removed. Also California tax offices are adding redemption amounts to their tax roll. I have to verify with them the new amount to be paid for the month of July after it becomes available.

Ok, I need to understand something. We already talked to Richardson and told her the terms of the Modification as I understood. Then we realized taxes/insurance were not paid by Red Rock and now need to pay 2-3 weeks later and get back to her with new figures? Is that the case?

I need to understand this because it is my impression that Richardson thinks she has a new deal...........please clarify.

Loss Mit only blocks taxes on short sales. This is not a short sale and it doesn't appear that we placed the disbursement stop. Per SAF1, processor EDC placed the block on there on 5/14/08. It appears her name is Veronica McNeil-Ellis. Can you check with her to determine if the block can be removed?

Per instructions we have received by Christina Lopez dated 12/3/07, we cannot disburse tex if the man code is 'w' with disbursement stop 1.

So with the codes that are on the account now, we are not able to pay any tax payments,

Also there is a foreclosure code 7-conveyed, which also prevents us from paying.

Management is requesting we get this Mod out asap. I just want to make sure I asked the right person (Wonza) to help me set up the escrow - property taxes are definquent. There is a note on the loan from 5/20/08 saying the axes were not going to be paid because of the mancode. Now that the mancode is W - can this be taken care of? Do you have a timeframe for completion so I can let managament know?

Hi Wonza,

There were two checks returned 4/21/08 for delinquent property taxes \$8109.81 + \$405.49. This loan went to for sale which has been rescinded and we will be modifying this loan. Who can send the task to set up the escrow for these taxes and possibly research if those taxes are still delinquent since the checks came back from Sacramento County?

Loss Mit only blocks taxes on short sales. This is not a short sale and it doesn't appear that we placed the disbursement stop. Per SAF1, processor EDC placed the block on there on 5/14/08. It appears her name is Veronica McNeti-Ellis. Can you check with her to determine if the block can be removed?

Savannah

Per instructions we have received by Christina Lopez dated 12/3/07, we cannot disburse tax if the man code is "w" with disbursement stop 1.

So with the codes that are on the account now, we are not able to pay any tax payments.

Also there is a foreclosure code 7-conveyed, which also prevents us from paying.

### Louise.

Management is requesting we get this Mod out asap. I just want to make sure I asked the right person (Wonza) to help me set up the escrow - property taxes are definquent. There is a note on the loan from 5/20/06 saying the taxes were not going to be paid because of the mancode. Now that the mancode is W - can this be taken care of? Do you have a timeframe for completion so I can let managament know?
